

Refreshing the World through GREEN MEETINGS

Marriott International aspires to be the global leader that demonstrates how responsible hospitality management can be a positive force for the environment and create economic opportunities around the world, in the communities where we work and live.

small
meetings
no small
matter™

Courtyard by Marriott

- Replaced standard light bulbs with energy-efficient bulbs
- Installed low-flow showerheads and toilets
- Introduced water/energy saving linen programs
- Operates the most ENERGY STAR® certified properties in the industry, as part of Marriott's portfolio of brands
- Involves its global workforce in eco-volunteerism

Green Meetings and Events

- Customizable Marriott Green Meetings features and programs
- Online event menus, e-contracts and paperless billing
- Organic, green and yoga break options (additional charge)
- 100% recycled note pads
- Pens made from recycled materials
- Eco-friendly water service options
- Meeting room mixed recycling available
- Organic flowers and candy (upon request)
- Classroom and buffet tables that do not require linens

Courtyard San Diego Mission Valley/Hotel Circle

- Conduct green committee meetings and all management are Marriott Green certified
- Recycling is available on guestroom floors, the Bistro, coffee area and pool
- Hotel's paper, plastic, glass, batteries, toners and light bulbs are all recycled
- Use only post-consumer copy paper and keycards made of recycled materials
- Florescent and LED lighting used in rooms, common areas and meeting rooms
- Computerized controllers are placed on energy systems to optimize use
- Vending machines were removed and centralized to lobby level in 24/7 Market
- Motion sensor and timed light switches are in all offices and storage rooms
- Sensors and water conserving faucets were installed in all public restrooms
- New windows and air conditioners were installed in all rooms with full renovation in 2008
- Support I Love a Clean San Diego through participation in environmental events
- Recycle used linens, amenities and furnishings to local shelters
- All food service supplies are made of recycled materials or are recyclable
- Use electronic tools and teleconferencing to minimize impact of meetings
