

**How:** Short walk to barges

**Where:** Exit the Marriott on the Riverwalk side of the hotel. **1** Find the ticket office and barges directly under the bridge below Commerce Street. Your 45-minute barge ride down the riverwalk will be directed by a tour guide who will clue you in on the area's colorful history and culture. Take note of all the great places to eat, drink and shop on the Riverwalk – you'll probably want to hit them later in your stay.
