

San Luis Obispo Golf Courses

It is about that time of the year to venture out on the golf course while vacationing in San Luis Obispo. It is also a good opportunity for you and your honey to spend some quality time together.

The Tee Time for Two Golf in San Luis Obispo golf package is the right way to do it. Our Tee Time for Two package includes:

- A relaxing stay at the Courtyard by Marriott
- Tee time for two

This dream vacation time will be an unforgettable experience and why not save some money in the process.

We know that everyone likes to have options so there are two San Luis Obispo Golf courses you can choose from with this incredible package:

Avila Beach Golf Resort

This par 71, 6500-yard championship San Luis Obispo golf course is nestled right next to the panoramic view of the ocean and alongside the rolling hills of San Luis Obispo. At this resort you really experience the best of both worlds.

The Avila Beach Golf Resort pro shop offers the latest in golf attire and equipment if you forget to pack some of those essentials, or if you just want to add to your golf collection.

Blacklake Golf Resort

This golf course in San Luis Obispo is truly original because it's the central coast's only 27 hole course. You will experience tree-lined fairways and a variety of natural landscapes and all skill levels are sure to be challenged.

While playing on this golf course in San Luis Obispo visit the fully stocked pro shop. The visit will not be complete until you wind down at Blacklake Bar and Grill with your favorite cocktail or beverage of choice. Blacklake Bar and Grill offers breakfast and lunch along with an assortment of foods so everyone is satisfied.

Enjoy The Many Other San Luis Obispo Golf Courses

There are many beautiful San Luis Obispo Golf courses to enjoy that are not included in our package where you can tee off.

Cypress Ridge Golf Club

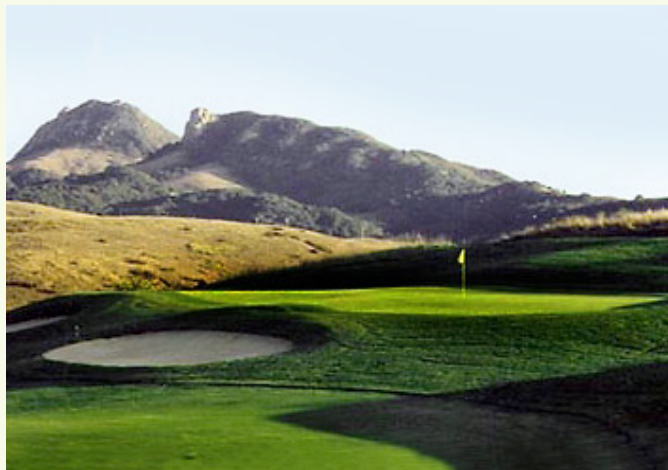

This course was designed by Peter Jacobson to be beautiful and challenging. Named after the mature Cypress trees that you will find spread throughout the course. This par 72, 18 hole course is located in San Luis Obispo County and provides an exquisite atmosphere for weddings and receptions. The Pavilion is equipped with cathedral ceilings and a fireplace making it extremely comfortable to fit all of your loved ones.

This resort wouldn't be complete without a fitness center, pro shop, and driving range. Memberships are available for everyone regardless if you play once a week or once a year. Tournaments are held regularly.

Morro Bay Golf Course

At Morro Bay Golf Course you will experience the best of both worlds because it is nestled between a picturesque view of the mountains and the ocean. This par 72, 18 hole public golf course was awarded as an Audubon Cooperative Sanctuary and has many birds flying through constantly. With only 5 sand traps, there are challenges from utilizing its natural beauty.

There is a bar and grille on site because after 18 holes it's easy to work up an appetite. If you forgot to pack any of your golfing essentials make sure to stop through our fully stocked pro shop. There is also a driving range, putting greens, and lessons for practice and improvements.

Dairy Creek Golf Course

Dairy Creek is located in El Chorro Valley only 5.5 miles from San Luis Obispo making it the closest public golf course to the city. This par 71, 18 hole course was designed by architect John Harbottle with significant elevation changes to make it playable and challenging. It was awarded an Audubon Cooperative Sanctuary and you are sure to see some wildlife while visiting.

Dairy Creek is equipped with a new pro shop and restaurant that is open for breakfast and lunch every day of the year. There are deals and packages available upon request.

Laguna Lake Golf Course

This par 30, 9 hole course is located right in San Luis Obispo only 1.5 miles from highway 101 and provides a prime location that welcomes the whole family. New to Laguna Lake Golf Course are power golf carts. This course has earned its reputations for having the best overall quality service and well maintained putting greens.

You will find all the brand names and golf attire in the pro shop. There is a range to perfect your swing or you can take golf lessons from the pro.
