--SANTO DOMINGO--

The Renaissance Jaragua Hotel & Casino completed a Reforestation Day in the Bonao Zone, on the occasion of celebrating the Customer Appreciation Week and part of the activities of the "Spirit on Serve the Community", which is celebrated world-wide by all the hotels of Marriott International.

The main executives of the Renaissance Jaragua Hotel & Casino jointly with employees of all hotel areas, traveled to the location Juan Adrian in Bonao and altogether performed of reforestation day jointly with the Ministry of Environment. This day was preceded by the General Manager, Eduardo Reple, Katherine Jiménez, Director of Human Resources and the main executives of the hotel.

"Our company has a firm commitment with the environment and as of this year we have added to our Spirit to Serve the Community, the Protection of the Environment, as the President of our corporation has affirmed: We must take care of the environment, since we all are guests in this planet", said Eduardo Reple, General Manager of the Renaissance Jaragua Santo Domingo during this day.

Like wise, Katherine Jiménez, Director of Human Resources of the Hotel commented: "It has been an honor for us to be invited by the Ministry of Environment and Natural Resources to participate in this day that is part of the activities for the Reforestation Month celebrated Nation-wide and our Marriott Customer Appreciation Week celebrated World-wide".

During the month of November, Marriott International honors its clients world-wide with an Appreciation Week, where special activities are held within the hotels for the clients. In addition, activities to serve the communities are also performed in the cities where each Marriott Hotel is located.
