

## Inspiring the World through **Green Meetings**

Marriott International aspires to be the global leader that demonstrates how responsible hospitality management can be a positive force for the environment and create economic opportunities around the world, in the communities where we work and live!

### **Marriott Hotels and Resorts**

- Replaced light bulbs with energy-efficient bulbs
- Installed low-flow showerheads and toilets
- Introduced water/energy saving linen program
- Operates the most ENERGY STAR® certified properties in the industry, as part of Marriott's portfolio of brands
- Involves its global workforce in eco-volunteerism
- Marriott International recently announced the Spirit To Preserve the Rainforest, our historic agreement with the Amazonas Sustainable Foundation to protect and preserve 1.4 million acres of endangered Amazon Rainforest in Brazil

### **Seattle Marriott Waterfront Meetings and Events**

- Pens made from 74% PCW and are biodegradable
- Note cards made from 100% PCW
- Electronic billing and Banquet menus
- Compostable cups made from corn
- Plastic cutlery made from non-GMD polylactic acid, which is derived from corn grown in China
- Eco friendly water service
- Organic flowers (upon request)
- Web based sales proposals
- Ballroom space is linked to CO2 sensors that allows appropriate amount of outside air for a fresh and efficient air conditioning system

### **Seattle Marriott Waterfront Hotel Operations**

- Office paper, plastic and glass is recycled
- Energy efficient lighting system (electronic florescent lighting, LED Technology, timed scene changes, automatic dimming)
- Eco friendly Bath & Body Works products offered in guest rooms; products made from over 90% naturally-derived ingredients and pure essential oils.
- Recycled and reused cooking oil; can be used for bio-fuel.
- Outdoor lighting is attached to an astrological clock that automatically adjusts to the seasons and our longitude to maximize energy efficiency
- Organics recycling through Cedar Grove Composting
- Serve only sustainable seafood and organically raised chickens
