## The Arrival

It was the natural order of things and long overdue. A hotel of impeccable pedigree finds its place in a transcendent city. Relevant luxury meets cool sophistication. An icon welcomes an icon. JW Marriott meets San Francisco. And in a world that is sometimes resistant to it, logic prevails.

## The Street

The Hotel's commanding vantage point is Post Street, a marvelous thoroughfare skirting the north side of Union Square Park. Art galleries, fine shops, elegant theaters and an eclectic mix of good restaurants and cozy cafes are seemingly everywhere. And while the Union Square environs offer every kind of diversion, a comfortable stroll or cable car ride will bring its own rewards. Chinatown, Nob Hill and the famed Moscone Convention Center, Embarcadero Center and Fisherman's Wharf are all within easy reach of The Hotel – JW Marriott San Francisco Union Square.

## The Heart

As in other great hotels designed by architectural legend John Portman, a signature Grand Atrium lobby leaves mouths agape and expectations soaring. How can space on such an impressive scale be this warm and welcoming? Perhaps it's the influence of our signature sculpture, Filbert Weinberg's Joie de Danse, the hotel's whimsical centerpiece. Just beyond, a sleek lounge and award-winning restaurant present the promise of good times and an adventure in California cuisine. And above, on each of 21 stories, the comforts and services of a grand hotel await.

## The Soul

Instinctive, intuitive service and a genuine concern for the comfort of every guest is part of our hotel's culture. You'll find it in The Hotel's efficient Business Center, in the twice-daily maid service, and in the availability of 24-hour gourmet in-room dining. You'll see it in a staff trained to remember your name and your particular needs. You'll appreciate it in our multi-lingual concierge personnel, in our complimentary morning coffee service, and in our free-of-charge drop-off transportation anywhere within a two-mile radius of The Hotel. And, most of all, in the smiles of a staff that is simply delighted to see you. Have we overlooked a specific need? Within arms reach, in every guestroom, is a call button providing 24-hour Personal Valet Service. A forgotten toothbrush? A letter to be faxed at 2 a.m.? Never a problem.

## The Sanctuary

Ultimately, you will judge us by the comfort and convenience of your stay. It is why we reward your trust with 338 huge guestrooms and suites of exceptional substance and style. Our signature marble baths boast pedestal sinks, deep soaking tubs, soft terry robes, telephone, hair dryer and superior soaps and lotions. In a rich setting of fine silk draperies framed by classic arched windows, you'll find three multi-line telephones, flat-screen TV, ergonomic desk chair, down comforters and pillows, high-speed internet access, thoughtful touches too numerous to mention, and an abundance of light and space. In addition to your personal haven, on-premise fitness and business centers plus exceptional dining and meeting facilities assure, if you are so inclined, a perfect self-contained stay.

## The Summit

It is definitely not business as usual at The Hotel. Not with 12,000 square feet of modern meeting space so close to The City's financial district. Not with leaded glass windows in a ballroom spacious enough to accommodate 360 people. And not with a boardroom offering inlaid woods and fine golden Gate views. The views are equally spectacular from our two 21st floor meeting rooms, each with access to an open outdoor patio, and each with ample space to accommodate 150 people. Audio/video capabilities are exceptional in scope and quality. Fine catering and an experienced meetings staff surpass even JW Marriott's high standards.
