and to You, our customer"*

## Inspiring the world through Green Meetings

The Marriott Shanghai Cluster Hotels aspire to be the city's leader in demonstrating how responsible hospitality management can be a positive force for the environment. We are committed to create economic opportunities around Shanghai, in the communities where we live and work!

### How you can help us to change the world

As we strive to do our part in minimizing our footprint on the environment, we have enrolled some great initiatives. You too, can help us to achieve results that will save our planet. As a small return we ask you to pay RMB 5 extra per meeting delegate. In return, we will use this money to plant trees, featuring the name of your company.

As a part of your green meeting you may expect:

- Recycled note pads
- Recycled pens
- No use of plastic water bottles
- Recycled bamboo trays
- Organic candy
- Linen-less table tops
- "Green" coffee breaks
- 2 degrees more
- Digital menus

## **A comfortable 2 degrees more**

To increase our common focus on carbon footprint your room temperature will be just slightly higher. This way we help each other to create a bright and comfortable future for our planet.
