

COSTA RICA

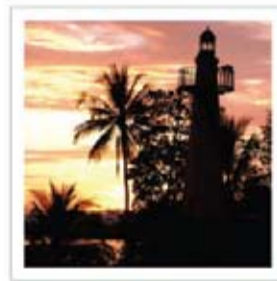

PLAYA HERRADURA
CENTRAL PACIFIC

Nestled alongside an exotic rainforest with breathtaking ocean views, this 18-hole, par-72 championship course offers not only a challenging Ted Robinson-designed layout, but also a spectacular gallery featuring friendly monkeys and brightly-hued macaws. Your knowledgeable golf guides will be happy to point them out. But make no mistake: the mesmerizing scenery masks a challenging course - one well worth conquering.

A golfer's paradise, where nature takes its course...

The course features a magnificent layout that blends in perfectly with nature. It makes you think. It makes you play. It's a shot-maker's test of golf.

The beauty of Costa Rica, combined with the finest traditions of a well-designed and-operated facility, enables players to enjoy a unique eco-golf experience.
