

# Group events as memorable as our island itself.

*Plan your next event at St. Kitts Marriott Resort & The Royal Beach Casino, and set the standard for anything else that follows. Our Certified Meeting Professionals will help you plan every detail – from welcome gifts to team building to dessert. Special group outings like Nite Golf, Sunset at Brimstone Hill, and Brunch at Romney Manor are guaranteed to inspire. Plus, we can tailor group activities specifically for your needs. Steel drum lessons, anyone?*

## Nite Golf

All golfers love a challenge. Well, try golfing with the Caribbean and the Atlantic on either side of you, in the cool trade winds, at night. Guests will be greeted with cocktails on neon trays and escorted down a colorfully lit pathway. They'll receive glow-in-the-dark bracelets and necklaces, and our golf pros will instruct them on the rules of their mini night tournament. The putting green is lit with neon balls, flag markers, putters, cup markers and course markers. Top the evening off with dinner under the stars by the 18th hole.

## Sunset at Brimstone Hill

From the perch at Brimstone Hill Fortress National Park, one can understand why so many nations once battled to claim St. Kitts as their own. The panoramic views of the island are breathtaking and the fortress itself is a sight to behold. Nearly 800 feet high and made of stone and mortar crafted by African slaves, the structure remains one of the best preserved historical fortifications in the Americas. Groups will be transported from the hotel to the fortress for cocktails at sunset. Dinner catered by the hotel will follow, along with special entertainment and a lively fireworks display.

## Brunch at Romney Manor

Since the 17th century, Romney Manor has changed hands only a few times. Anyone who visits will see why its inhabitants didn't want to leave. Set on ten acres of lush, tropical land and surrounded by botanical gardens, this historic sugar plantation is home to Caribelle Batik. Guests will enjoy authentic West Indian breakfast or brunch prepared by locals, and served picnic style, and they'll get an opportunity to tour the grounds and the batik factory. They'll leave with an original piece of art, along with unforgettable memories.
