

PRESS RELEASE

Meon Valley, A Marriott Hotel & Country Club has upgraded its gym equipment with an investment of £100k securing the club's position of being the leading leisure club in the area.

The upgrade has seen an investment of 33 new pieces of equipment including 12 treadmills, 7 X-trainers, 10 bikes, 2 steppers and 2 rowers. The equipment is state of the art with all pieces having an individual 15" HD touch screen allowing users to watch an array of TV channels, integrated iPod connectivity with music, video and USB charging station, 8 different programme languages, adjustable personal fan and heart rate pads.

Peter Botterill, General Manager at the Hotel said 'our leisure club is second to none with the facilities on offer which have been further enhanced with the arrival of the new gym equipment. Not only can we offer first class leisure facilities with tuition but with the backing of the worldwide Marriott brand we can offer you a lifestyle membership with additional membership benefits of discount in our restaurants and bars, on treatments in The Retreat, our Health & Beauty Salon as well as accommodation discounts with Marriott Hotels across the UK.

To arrange a date to take a look at the leisure facilities please contact our membership team at Meon Valley, A Marriott Hotel & Country Club on 01329 833 455.
