Built in 1894...

Union Station is recognized as a Historic Hotel of America and is a classic reminder of a more romantic time. The period décor and furnishings create a feeling of old world elegance that will grace the memories and photos of your magical day. There are exceptional photo locations throughout the building, including balconies over the Grand Hall, the original glass tile floor, the fountains at Aloe Plaza, and the Allegorical window, an original Tiffany-cut glass window overlooking Grand Hall.

The St. Louis Union Station Marriott is an exceptional hotel in an exciting location. Located inside historic Union Station, this luxury hotel is in the heart of downtown St. Louis. The Grand Hall, once the busiest train station in the country, welcomes you to elegantly appointed rooms with period-inspired furnishings and modern conveniences.
