

HANBURY MANOR

A MARRIOTT® HOTEL & COUNTRY CLUB

Responsible Visitor Charter

Be a responsible visitor - Seven things you can do to help save humanity

1. Conserve energy - Reduce energy by switching off the lights in your room when you leave it and closing windows if heating is on. Charge your phone in the car when you are driving, its free energy.
2. Shop locally- Buy local products - food, drinks, arts and crafts - they give you a flavour of Hertfordshire whilst supporting local communities. This also reduces the impact of transport on the environment. Further information, including local interests, available from At Your Service.
3. Reduce, Reuse, Recycle - A substantial effort is being made throughout the hotel to reduce, reuse and recycle. Please assist us by avoiding over packaged goods and saying "no thanks!" to that extra carrier bag. Try and recycle any waste you have. We are aiming for 95% of all waste to be recycled.
4. Give the car a Rest - Leave the car behind, if only for a day, Walk, cycle or use public transport.
5. Be Water Wise - Please use water wisely. Turn off the tap when brushing your teeth and adhere to our towel policy and other water saving initiatives.
6. Respect Nature - Help us to look after the landscape and wildlife by not littering, guarding against fire and using footpaths and cycle-ways responsibly. Please speak with our Concierge for details of our walking trail.
7. Support Green Tourism Businesses - There are hundreds of businesses trying to reduce their environmental impacts through the Green Tourism Business Scheme. See www.green-business.co.uk for more information.

And most importantly,
Have a great time whilst you are here; we'd like you to come back!
