After Sun Body Firming Wrap

Many forget that the skin on your body ages too! We didn't. During this wrap every detail is looked after while the body is wrapped in firming body gel, rich in anti-aging sea minerals. Soothing, firming and toning extracts are absorbed by the skin while Self Heating Mud booties are bundled on your feet. Your spa therapist proceeds with a massage to penetrate all of the firming elixir to immediately hydrate, tighten, and stimulate the skin. After repeated use, a long-term anti-aging affect will be noticed on skin lacking elasticity due to childbirth, sun damage, or significant weight loss.

Brown seaweeds, blended for their detoxifying action, are mixed into a fine paste and applied to the entire body. The skin absorbs the active elements, with help from clay minerals and the application of heat promotes perspiration and the elimination of toxins. After a refreshing shower, a specialized combination of cooling moisturizers is applied to your newly purified, restored body.
