MEETING ROOM DESCRIPTIONS

PINNACLE BALLROOM

The Pinnacle Ballroom is the largest of the 12 meeting rooms and it is situated on the 3rd floor of the hotel. This unobstructed function space has 16 foot ceilings, contemporary dome shaped chandeliers and a soothing light wall texture with floral designs. This multi-functional space can be separated into 3 sections or maximized to accommodate a stand up reception of 600 people or for a sit down extravagant theme dinner up to 450. The Pinnacle Foyer outside of this room is ideal for wedding receptions, registration or buffet set ups.

SHAUGHNESSY SALON

The Shaughnessy Salon is adjacent to our large ballroom and is the second largest of the 12 meeting rooms, situated on the 3rd floor of the hotel. With 25 foot ceilings and floor to ceiling windows, adding plenty of natural lighting, this room is ideal for indoor wedding ceremonies, intimate stand up receptions and breakout rooms for conferences.

POINT GREY ROOM

The Point Grey room has 25 foot ceilings and floor to ceiling curved windows that provide warmth and natural lighting. It is ideal for an intimate sit down dinner up to 50 people, stand up reception for 75 or a breakout room for conferences. For presentation purposes, 1 pillar in the room should be taken into consideration.

KITSILANO ROOM

The Kitsilano room is great for small meetings, dinner parties or a breakout room. This room has natural light, high ceilings and access to our outdoor patio which is a great area for coffee breaks.

For presentation purposes, 2 pillars in the room should be taken into consideration.

PATIO

The 3rd floor patio is a perfect location to host an outdoor lunch or early evening cocktail reception. The patio overlooks the corner of West Hastings and Thurlow Street with views of beautiful Coal Harbour. A gorgeous roof top garden and flower baskets line the patio adding to this wonderful outdoor space. Please note that we are required to book a back up room for events held on the patio should the weather not permit holding the event outside.

PRE-FUNCTION

The Pre-Function area runs around the perimeter of the meeting rooms on the 3rd Floor and sits above the main lobby of the hotel. It serves as a versatile area that can be used for registration tables, buffet setups, and for wedding or cocktail receptions. The Pre-Function area is well lit with plenty of warm natural lighting through the amazing 60 foot floor to ceiling windows of the hotel's main lobby and 25 foot floor to ceiling windows of the Pinnacle Ballroom Foyer.
