

**Courtyard by Marriott Hotel and Conference Centre Toronto-Brampton** offers 5000 square feet of exquisite conference space which can be divided into three sections to accommodate 10 – 500 guests. The state-of-the-art banquet space is the perfect location to host corporate meetings, community events, weddings, fund raiser galas, and large conferences. Our event specialists approach each occasion, large or small, with a dedicated focus – providing extraordinary service and results.

- Additional two boardrooms available for smaller meetings, executive and business lunches
- Latest technology in interactive music and activated lighting presentations
- A complete audio visual system including 360 degrees of surround sound on the dance floor
- Three large drop down screens, spectacular lighting effects in multiple shapes, colours and speed, all controlled by customized programs
- Multi-media facilities available for presentations & conferences
- Pin Spot lighting available to accent each table center or head table
- Custom program technician available to customize room with spotlights to give your event an original look with light & sound
- Catering and Special Events Team will customize your event. Our carefully selected menu features international and ethnic cuisine expertly prepared by our executive chef.
