## About us

*lo!* We cultivate creativity and a free, uninhibited spirit. Inspired by doodles simple, quick, instinctive drawings—the concept celebrates spontaneity, curiosity, and the desire to do things differently.

Forget knives and formalities: at Doodles, we eat with our fingers and savor the moment.

From the plates to the bubble-shaped armchairs, every detail reflects its playful spirit. Familiar flavors are reinvented in formats designed for sharing, tasting, exchanging, and enjoying together.

Come for the cuisine. Stay for the moment.
