

THE SPA

AT THE ALGONQUIN

Our mission is to exceed our guest's expectations each and every day. The Spa at the Algonquin is a retreat into pure relaxation, offering world-class services in an environment of Maritime warmth. We offer experiences to heal and restore the mind, body and spirit.

OLD WORLD CHARM, HISTORICAL TREASURES

The Spa at the Algonquin is locally owned and operated with a team of professionals dedicated to living our mission on a daily basis. As an Aveda Concept Spa / Salon, we use products that merge the science of performance-driven plant-based skin, body, and hair care products with the art of high touch experience to offer a comprehensive menu of services and treatments that are customized based on your specific needs. The result: a holistic spa experience that incorporates wellness and balance to generate mind and body recovery. ~ Jessica Corning, Owner

Dermaplaning Facial Treatment

Dermaplaning is a simple and safe procedure for exfoliating the face and ridding of fine vellus hairs also known as peach fuzz. Dermaplaning uses a sterile surgical scalpel specially designed for the face to gently remove the top layer of dead skin. Dermaplaning is more gentle, yet deeper exfoliating than microdermabrasion. Results include: smoother skin, removes fine facial hair that traps dirt and oil, enhances the effectiveness of other skin treatments (chemical peels), reduces acne scars, reduces fine lines, immediate results.

60 min | \$115

Dual Exfoliation Facial Treatment

A non-invasive, skin renewing treatment. Using innovative techniques, this treatment combines Aveda's naturally derived mechanical and biochemical exfoliation methods into one powerful service that transforms and rejuvenates the skin through the process of dual exfoliation. The treatment delivers immediate, visible results in improved skin texture, clarity, and radiance; smoothed appearance of lines and wrinkles; and refined pores, revealing fresher, younger looking skin. In a clinical study, the Dual Exfoliation Peel achieved better results than a combined microdermabrasion/ 30% glycolic peel treatment in both immediate smoothness and radiance, plus significantly better results in smoothness, radiance in skin tone one week later.

Perfecting Plant Peel Facial Treatment

Advancing the science of chemical peels, this professional treatment helps retexturize skin, smooth lines and wrinkles, even skin tone, refine pores and restore radiance. Safe for acneic skin conditions, The Perfecting Plant Peel can be performed as a stand-alone treatment or added to any other customized facial treatment anytime skin needs the exfoliation and radiance benefits of a 30% glycolic peel procedure with less of the associated redness and irritation.
