

FANTASY WOODS

This season, the heart of Specht Bar & Lounge beats to the rhythm of *The Tree*: a symbol of life, growth and connection, rooted in the Renaissance Amsterdam Hotel. Each signature cocktail tells a story, inspired by a different part of *The Tree*, inviting you to a journey from leaves to roots.

If you have any allergies or specific dietary requirements, kindly inform our team so we can best accommodate your needs. Kindly be aware that our kitchen is not an allergen-free environment.
