LIBRARY BAR · PRIVATE EXPERIENCE

A COCKTAIL BEGINS LONG BEFORE IT IS POURED.

Across two hours, the Head Mixologist opens the craft behind the glass in three considered movements.

01 **FERMENT**

Discover how time, sugar and natural cultures transform ingredients —building acidity, aroma and texture.

02 **TASTE**

Explore balance through a guided cocktail tasting: spirit, sweetness, acidity, dilution and aroma.

03 **CREATE**

Choose a flavour direction, learn professional techniques and make a cocktail that is entirely your own.
