Treatments by Ligne St. Barth

Naturalness & sophistication.

Caribbean lightness.

Elixirs from paradise.

Effective and beneficial.

Sensual beauty care for body and soul...

Experience the naturalness of a skincare range inspired by the treasures of the tropical plant world: the scent of exotic flowers, the aromas of their fruits, the healing power of their essences. Traditional knowledge of their effectiveness combined with the latest manufacturing processes. Golden light on fine sand, the shadows of palm trees in the gentle breeze - and somewhere on the horizon, the blue of the sea blurs with the sky. The oils, lotions and creams from Ligne St. Barth embody the lifestyle of their Caribbean homeland..
