BANQUET EVENT ORDERS

In order to procure and prepare your food and beverage banquet order, all menu selections are due 4 weeks prior to the start of the program. Our team will provide copies of banquet event orders (BEOs), to which additions or deletions can be made. When the BEOs are finalized, copies must be signed and returned to the event manager 14 business days before the start of the function.

TIMING OF BANQUET FUNCTIONS

- Buffet Services and Reception Stations are designed for 2 hours
- Package Morning and Afternoon Breaks are designed for 30 minutes
- Additional fees will apply for requests to exceed these service time standards

GUARANTEE

To ensure every detail is handled in a timely manner, the final guarantee number of guests is due by 11.00 am, 3 business days before the start of your event. Should the final guarantee not be received by this time, the original expected number of guests noted on the Banquet Event Order will be considered your minimum guarantee.

Buffet and Break pricing is based on a minimum order for 50 guests. Action and Display Station pricing varies based on order quantity. If minimum guest counts or order quantities cannot be met, please request the small banquet menu for groups under 50.

JW Marriott Nashville reserves the right to add a \$100.00 fee to all pop-up event requests. A pop-up event is classified as an event that is requested within 3 business days prior to the group arrival. The menu selection for a pop-up event will be decided by JW Marriott Nashville and cannot be changed within this 3 business day timeframe unless approval from the JW Marriott Nashville Executive or Banquet Chef has been granted.
