# INSPIRED MEETINGS IN INSPIRED SETTINGS

At JW Marriott, we believe that a resort is more than a place to lay your head – it is a crafted, immersive experience created by staff who love what they do. That's why the JW Marriott Las Vegas Resort & Spa brings a new level of luxury and amenities to its guest rooms and event spaces.

Situated just 16 miles from Harry Reid International Airport and minutes from the Strip in the heart of Summerlin, our lush 54-acre resort provides a peaceful environment for a focused and productive retreat, while still close enough to the excitement of one of the world's most famed entertainment precincts and the region's top attractions like the Hoover Dam and Grand Canyon.
