

# WELCOME EXPLORERS

Seeking a guide to help your children DISCOVER paradise? Look no further than our DISCOVER Day Camp and private counselor options. Offering the perfect blend of education and entertainment, these programs are artfully crafted with your children in mind.

Whether your child is a budding scientist, an abstract finger painter or just loves to explore, JW Marriott Marco Island Beach Resort offers enriching learning experiences designed to bring children together for some fun-filled, creative adventures. Located on three miles of pristine coastline, our resort is set on a natural playground, offering an abundance of activities and adventures for children of all ages!

# DISCOVER

have fun . enjoy learning . experience paradise .
