

Hybrid+ and Virtual Solutions

# Expanded Possibilities

hybrid+<sup>SM</sup>

# Hybrid and virtual that extends

The need for new ways to meet and engage is bigger than ever—Encore has been seamlessly connecting in-person and remote audiences with hybrid event production since 2009. As your trusted partner, we offer a full range of solutions and expertise to ensure your event not only continues, but reaches anyone, anywhere.

Every aspect of your hybrid or virtual event, from the creative and strategy, production and execution, down to the platform, staging and lighting, is customized to your unique needs. Encore is committed to providing you with a gathering that will connect and engage participants in new and imaginative ways.

# Strategy, Creative + Design

Our expert strategists and experienced designers create hybrid and virtual events that deliver engagement, value and insightful analytics to help improve your ROI.

- Event & Content Strategy
- Experience Design
- Creative Services

# Platform + Digital Products

We have a dedicated team of digital experts to ensure our customers choose the right platform for the experience they want to create; either our Chime Live platform (built for Hybrid) or one of the many others we work with.

- Hybrid+ Virtual Platform (Chime Live)
- Participant Engagement
- Virtual Control Rooms
- Event Data & Reporting

# Production + Execution

Our production team has deep expertise in set design, production studios, virtual broadcasts, streaming, direction and overall hybrid event production management.

- Video Production
- Content Creation
- Content Management
- Quality Sound
- Professional Lighting
- Presentation Support
- Speaker Coaching
- Stage Management

# On-Site + Technology

We are where you need us to be. Always on the cusp of what's next and the forefront of innovation with an extensive range of Hybrid+ solutions that bridge in-person and virtual participants to maximize engagement, attendance and audience reach.

- Audio/Video
- Lighting
- Simultaneous Interpretation
- Rigging
- Power
- Internet
- Technology Installation
- Presenter Support
