A man with dark hair and a beard, wearing a black t-shirt, is performing a massage on a woman's back. The woman is lying face down on a massage table. The background is a softly lit room with vertical blinds. The overall mood is serene and professional.

HEAVENLY RITUAL WITH OLIVIER HIMSELF

90min / €365

This prestigious and original ritual has devised and elaborated by Olivier Lecocq in 1997. It is a skilled high quality, holistic treatment which nourishes the skin and revitalizes the body.

During the specific Swedish massage the capable and informative hands of the therapist become the composer. His choreography includes a deep tissue massage, stretches, rub, kneading and many well kept aromatherapy secrets.

Olivier offers you an unique multisensory experience : application of warm or cold towels according to the seasons, discovery of aromatic scents with different textures, energizing and relaxing gestures, dimmed light with candles, relaxing music.

This recipe is also magnified thanks to the Unique Elixir, our precious beauty oil, a real aromatic jewel created by Olivier Lecocq.
