MIDTOWN GRILL

It's been 35 years since the fall of the Berlin Wall this year, but one big question still divides opinions today: What is a Jägerschnitzel? Depending on where in the country you ask this question, you will get different answers. That's why from September 30th to October 4th, in the spirit of the German Unity Day, we're bringing both Jägerschnitzels together on one menu. And to ensure that the capital is also represented, we are serving two versions of the popular Berliner Fassbrause with the different schnitzels.

SCHNITZEL SPECIAL

Finally united: Jägerschnitzel from the East & from the West

Jägerschnitzel from East Germany

17 EUR

Breaded chasseur sausage on pasta with tomato sauce

Jägerschnitzel from West Germany

19 EUR
