ABOUT THE CHEF

An expert in his field and a native of Geneva, Executive Chef Fabrizio Domilici is committed to offering fresh, local ingredients that promote sustainable agriculture wherever possible. Very attached to the Geneva region, he favours a virtuous circle, from producer to consumer, with a sensible approach to consumption.

Well-known and firmly rooted in the local community, the Chef is committed to creating tasty, healthy dishes that nourish both body and soul, with an emphasis on plants, sometimes using herbs from the hotel's rooftop garden. His creations are accompanied by a wide choice of wines. The Chef will be delighted to work with you to create a tailor-made menu.

LESS SAVES

THE PLANET

Since 2017, Less Saves the Planet is a non-profit organisation that provides simple, clear and effective answers through gastronomy to help us learn to eat better, in order to preserve our planet and our health, based on UN and FAO studies.

We are proud to announce that the Geneva Marriott Hotel has received the "Less Saves The Planet Excellence Award" for our commitment to the environment. Executive Chef Fabrizio Domilici invites you to discover, with a special menu, tasty products for local and sustainable consumption, available for every offer and at the same price.

Feel free to ask for the Less Saves The Planet menu.
