A SUSTAINABLE HOTEL

Committed to reducing its environmental impact, our team adopts a "**glocal**" approach: think globally, act locally. Learn more [here](#).

Feel free to create

The **Geneva Marriott Hotel** redefines the standards for meetings and events by combining innovation and conviviality. Discover our **seven flexible meeting spaces**: a majestic ballroom, a plenary room divided into two, and four modern meeting spaces arranged around a welcoming mezzanine.

With over **1,000 m² of contemporary event space** on a dedicated floor, enjoy **natural light** with windows that automatically darken thanks to an **electrochromic glazing system**.

Why choose the Geneva Marriott Hotel for your events?

- Bright and spacious spaces bathed in natural light.
- A social and eco-responsible commitment, for a positive impact on our communities.
- Unique events can accommodate vehicles directly in our meeting spaces and lounges, creating a unique and memorable experience.
- A passionate events team adapting to your needs.
- The latest technology: HD screens, video projectors, and much more.
- Dedicated, creative, and refined dining to delight your guests.
- Open spaces ideal for networking, fostering authentic connections.
- The Marriott Bonvoy program allows you to earn points for each event organized.

Create unforgettable moments in a setting that's both inspiring and responsible.

Space Jean Calvin

The Jean Calvin conference room combines elegance and functionality, with large windows allowing for the entry of large equipment, such as cars. Thanks to its natural light, it creates an atmosphere conducive to creativity. Modular in two spaces, it offers ideal flexibility for your meetings, seminars, or presentations.

Space La Clémence

La Clémence Ballroom, our most spacious room, embodies elegance and grandeur. Inspired by its illustrious namesake, the largest bell in Geneva Cathedral, it offers a refined setting bathed in natural light thanks to its large windows. Flexible and equipped with the latest technology, it is perfect for unique events, whether receptions, galas, or conferences.

Spaces

Tourbillon, Pic-Pic, Dufaux & Motosacoche

Welcoming spaces designed to stimulate creativity and foster teamwork. The four spaces are ideal for meetings of 5 to 80 people. Each venue features clean-lined decor, flexible layouts, and a pre-reception area that facilitates daylight interaction.

Our tailor-made events

Weddings, birthdays, lunches, gala dinners, festive celebrations, or private events: entrust your precious moments to us. Discover our exceptional location in the heart of Geneva, as well as our refined event spaces. From concept to execution, let us transform your celebrations into memorable moments, enhanced by our expertise and an exceptional setting.

The Chef

An expert in his field and originally from Geneva, Executive Chef Fabrizio Domilici is committed to offering fresh, local ingredients, and promoting sustainable agriculture whenever possible. Deeply attached to the Geneva terroir, he favors a virtuous circle, from producer to consumer, with a responsible approach to consumption. Recognized and deeply rooted in the local community, the Chef is committed to creating delicious and healthy dishes that nourish the body and mind, featuring plant based ingredients and sometimes using herbs from the hotel's rooftop garden. His creations are accompanied by a wide selection of wines. The Chef will be happy to create a tailor made menu with you.

The Executive Chef

Fabrizio Domilici

Our sustainable commitment

The Geneva Marriott Hotel reflects the region's innovative spirit and entrepreneurial values. Rooted in sustainability, the hotel integrates cutting-edge technologies to offer a welcoming, eco-conscious experience.

We prioritize local and seasonal products, reduce our environmental footprint through eco-responsible practices, and support the local economy by collaborating with Geneva partners. Our commitment is reinforced by certifications such as Swisstainable, Green Key, and Ambassadeur du Terroir Genevois, guaranteeing the sustainable and ethical management of our operations.
