YOUR PERSONALIZED WEDDING

INDIVIDUALITY - FLEXIBILITY - TRANSPARENCY

Create your own wedding based on our «Build-your-Wedding» module. With this concept we guarantee maximum individuality and cost transparency. You only buy what you desire. Your final choices are due a couple weeks before the wedding. The contract only includes a minimum consumption, a date, a venue and the event hours. Please pick and choose your individual pieces below. With all the pricing given your cost estimate is simple and adjustable. On the following pages we present all individual elements.
