## ABOUT YOUR AUDIO VISUAL NEEDS

The Kansas City Marriott Country Club Plaza has selected Encore Global as the official source of audio-visual rental equipment, concert sound systems, stage lighting and professional technical services for guests using the hotel's meeting facilities. Encore Global maintains an office and facilities in the hotel complete with equipment, management staff and technicians. Because Encore Global's on-site staff functions as a department of the hotel, they are familiar with the unique aspects of our facilities and can offer consistently superior service to ensure the quality and effectiveness of your meeting. For your convenience, all charges for audio visual equipment and services will be posted on your master account. If a master account is not established with the hotel, payment is required at the time of your event by check, American Express, Visa or MasterCard. If your audio-visual requirements are complex, extensive or out of the ordinary, we suggest you contact the Encore Global's office in the hotel to discuss your arrangements and personalized quotation. Thank you for selecting the Kansas City Marriott Country Club Plaza.

## PROFESSIONAL TECHNICAL ASSISTANCE AND EQUIPMENT INSTALLATION

We employ an experienced staff of professional technicians trained in all aspects of projection, video, audio and lighting available for your meeting. If you have extensive or specialized audio-visual requests, a professional technician is recommended (and with some equipment, it is necessary) for successful operation. If you would like the services of a professional technician to be assigned and dedicated to work with you, we will be glad to make these arrangements in advance of your meeting. Depending on the nature, extent or quantity of your requirements, an additional charge will be applied for the set-up and pre-testing of equipment, including the safety tape-down of cables, additional power cords, as well as the pack-up and removal of equipment at the conclusion of your event. Some equipment requires a minimum charge for a technician at the prevailing hourly rate for installation and removal.

For more information regarding the Encore Global's Brochure please contact our Encore Global Representative at 816-303-1762.

# INFO

## FOOD AND BEVERAGE SERVICES

The Kansas City Marriott Country Club Plaza is responsible for the quality and freshness of the food served to our guests. Due to current health regulations, all food served at the hotel must be prepared by our culinary staff. Food may not be taken off the premises after it has been prepared and served. The sale and service of alcoholic beverages are regulated by the state. As a licensee, this hotel is responsible for the administration of the regulations. It is a policy, therefore, that alcoholic beverages cannot be brought into the hotel from the outside.

All buffets will be in service a maximum of 2 hours. All breaks will be left out for a maximum of 45 minutes.

## ADMINISTRATIVE FEES

All catering and banquet charges are subject to the customary administrative fees and appropriate sales tax.

## FUNCTION ROOM ASSIGNMENTS

Room assignments are made according to the guaranteed minimum number of people anticipated. Because these attendance figures may vary from expected attendance, we reserve the right to change room reservations to best accommodate either increasing or decreasing attendance figures.

## ENTRÉE SELECTION

In the event that your group requires a split menu, entrée selections are limited to a maximum of 3 selections. There may be an additional charge for this service. The hotel requires that the client produce place cards or tickets identifying the particular entrée selected by each guest. If the hotel needs to produce more than the initial amount guaranteed for a specific entrée, the client is responsible for paying for those additional meals.

## GUARANTEES

A minimum guaranteed attendance figure is required for all meal functions 3 business days prior to the function date and is not subject to reduction. If the catering office is not advised by this time, the estimated figure will automatically become the guarantee. If the head count at the time of the event is at or less than the guarantee, the guarantee will be charged. If the head count exceeds the guarantee, the Banquet Check will reflect all additional guests.

All buffets and action stations require a minimum of 20-50 guests depending on menu selections.

## PAYMENT

An acceptable form of payment must be agreed upon during the initial booking arrangements. Acceptable forms include advance deposit (prepayment), direct billing (subject to approval) or completed credit card authorization form.
