

**Le Meridien Ra Beach Hotel &Spa** holds an esteemed history as one of Spain’s earliest purpose-built sanctuaries for healing. From the 1920’s guests harnessed the fresh seaside air, natural light, botanical riches and mineral-rich seawater to fortify their bodies and minds. Today, Explore Spa re-establishes its presence as a modern destination for health affirming wellness practices.

Our program is mindfully structured around nurturing our guests **circadian rhythms**. We believe that well-being occurs when we align our energies to the natural solar and lunar rhythms present in each 24-hour cycle.

Within this menu, you will discover a range of personalised face and body treatments, thalassotherapy bathing circuits and slow Mediterranean rituals. Select intentional treatments to support your well-being: **Energizing, Balancing and Grounding**.

## SPA ETIQUETTE

### CANCELLATION

Should a cancellation be necessary, Explore Spa requests that this takes place at least 24 hours prior to the scheduled time of the treatment. Failure to do so will incur a charge of 100% of the treatment price.

### ARRIVAL TIME

We recommend arriving at least 15 minutes prior to the scheduled treatment time. This will enable you to calmly check-in at the spa arrival area, change clothes in a relaxed way and perhaps enjoy an infusion or tea whilst waiting for your therapist. We recommend you be ready for your therapist 5-10 minutes before the treatment time.

### LATE ARRIVALS

In the event of a late arrival at the spa, your spa therapist will do their best to accommodate you fully; however, we cannot guarantee you will receive the full duration of your scheduled service. If your spa therapist is fully committed, they will need to close the service at the originally designated time in order to serve the next scheduled guests. No service discounts are extended for late arrivals.

### MINIMUM AGE

Guests under the age of 16 years may not receive treatments or access spa facilities, including the Thalasso pool area and the exterior decks.

### SPECIAL HEALTH CONSIDERATIONS

Should you suffer from any health condition or should you be pregnant, please advise our staff of this when booking your treatment. Our spa concierges can advise you on which treatments would be most beneficial and which you should avoid due to health conditions.

### THERAPIST GENDER

Please, feel free to request a male or female therapist at the moment you make your appointment.

## SPA ETIQUETTE

### SUITABLE CLOTHING

On arrival at Explore Spa, we provide for you a bath robe and slippers for your use during your visit. Disposable under garments are to be worn during all treatments. Our therapists are trained professionals who ensure appropriate level of comfort by using draping to cover those areas of the body not being treated. We advise you to not use swimwear during treatments as it may become stained by oils.

### FOOD & BEVERAGE

Should you wish to add a light lunch or beverage to your spa experience or retreat, please inquire at the time of booking. Our spa concierge will be happy to assist.

### VALUABLE ITEMS

Despite all the lockers having keys, we recommend that you leave your personal items in the safe in your room. Explore Spa does not accept responsibility for items placed in lockers.

### PAYMENT METHOD

We recommend paying by credit card, gift vouchers or, if you are staying at the hotel, charging the spa services to your room. A service tip for your therapist or the spa team is at your election.

### GIFT VOUCHER

Explore Spa vouchers are a great way to surprise or delight a friend or loved one. Spa vouchers can be purchased for a specific experience or for a selected amount. They are available from spa reception.
