“Elder Brother saw that all the children laughed and sang but the elders didn’t, they only worked hard. He wanted to create something that would be beautiful when it was both young and old, so he created the butterfly.”

It is in the spirit of the butterfly story at Aji that we are reminded of the beauty and strength that lies within each of us. As the butterfly emerges from the chrysalis, may your time at Aji provide you with a sense of radiant renewal.

SPA & SALON

OFFERING THE WORLD'S MOST AUTHENTIC NATIVE AMERICAN SPA SERVICES

Aji, meaning "Sanctuary" in the Pima language, is appropriately named after the nearby Aji Mountain, located on the Gila River Indian Community, where women and children would go in times of war. This sacred mountain is still one of the Community's most important treasures and fittingly, Aji Spa is where sacred Pima and Maricopa traditions are practiced and shared.

The ancient cultures of both tribes are also showcased throughout the spa in design elements, artwork, architecture and shared legends.

THE INDIGENOUS COLLECTION

A journey of sacred doctrines, the signature Indigenous Collection was developed by Aji's Cultural Caretakers and offers an authentic Native American spa experience.

WHAT IS YOUR PAYMENT POLICY?

Aji operates on a cashless payment system to ensure secure, fast, and convenient transactions. We accept payments via credit/debit cards, Bonvoy gift cards and Visa & Mastercard gift cards. Guests of the resort may also charge their spa services back to their room folios. Cash payments are not accepted.

IS THERE AN AGE REQUIREMENT AT THE SPA?

Aji is an adult environment of tranquility and relaxation. Guests must be 18 or older to receive a spa treatment and use the amenities including the locker room, pool and fitness facilities. Young adults may enjoy a salon service with a parent or guardian present during the treatment, this does not include spa facility or pool access.

WHAT HAPPENS IF I AM UNABLE TO KEEP MY SPA/SALON APPOINTMENT?

If you cannot keep your spa appointment a 4-hour change or cancellation notice is required to avoid a 100% cancellation fee. All no-show appointments will be charged in full. Group reservations are subject to contractual agreement.

WHAT HAPPENS IF I ARRIVE LATE FOR MY SPA/SALON APPOINTMENT?

As a courtesy to the next guest your treatment will end on time, regardless of the start time. Arriving late will simply limit the time for your treatment, lessening its effectiveness and your pleasure. The full value of your treatment will be applied.

WHAT DO I NEED TO BRING WITH ME?

Bathing suits are recommended so you may enjoy the adult only spa swimming pool. We will provide you with a locker room full of vanity amenities, including a robe and sandals for you to wear while you are at the spa. For your treatment, you will disrobe to your comfort level; the only area of the body that is not completely draped is the area being worked on.

USE OF ELECTRONIC DEVICES

The Aji Spa is an adult environment of tranquility and relaxation. We respect the rights of all guests to privacy and quiet. Mobile phones and cameras are not permitted in the locker rooms or relaxation lounges. In all other areas, please keep phones on silent mode.

WHAT IS YOUR TOBACCO/VAPOR POLICY?

Aji is a non-smoking facility, tobacco and vapors are not permitted, including pool and patio areas.

DO YOU OFFER FOOD AND BEVERAGE?

The Aji Café is open for lunch from 11am to 4pm. The Aji Café is an amenity that is available exclusively for guests who have spa appointments. Guests without spa services and outside food and beverages are not permitted.

IF I AM PREGNANT, CAN I STILL UTILIZE THE SPA FACILITIES AND TREATMENTS?

Absolutely. We have several options available for expectant mothers. Please notify the spa reservationist of your pregnancy when scheduling your appointments. You may still utilize the spa facilities and treatments. However, we ask that you consult your physician prior to scheduling your spa appointments. Please avoid any treatments or activities involving heat, hot stones, body wraps, sauna, steam room and whirlpools.

WHAT SHOULD I LEAVE AT HOME?

Although we provide a locker for you to safeguard your clothing and personal items, we strongly recommend that you do not bring jewelry or valuables to the spa.
