OUR BEEF STORY

Our burgers are made with premium, high quality Black Angus beef sourced from 1855 farms, a legacy that started more than 150 years ago by Gustavus F. Swift in Nebraska. Swift believed in uncompromising quality standards and relentless customer service, two ideals that stand true for 1855 products as well as for the Canal Street Burger Bar. Made with love from our Creole kitchen, we use a blend of 80% chuck, 10% brisket and 10% short rib. We're passionate about serving the best burger in NOLA.
