

# Tennis For Life™

Tennis is a great sport that you can play for a lifetime. We're here to make sure your tennis experience is so fabulous that you'll WANT to play for a lifetime!

Managed by Peter Burwash International (PBI), we are currently named by tennisresortsonline.com as the #4 Tennis Resort in the World! On the same website, tennis players also ranked us #2 in the world for "Instruction and Tennis Programming." If you're going to take a tennis lesson or clinic anywhere, you need to take one HERE!!

We pride ourselves on having something for everyone. Looking for great instruction? We've got it in our fantastic daily clinics and private lessons.

Is playing matches your thing? Give us at least 24 hours, and we guarantee we'll find you a great singles or doubles match. Tennisresortsonline.com's players ranked us #2 in the world for "Game Arranging." Or, sign up for our twice-weekly (seasonal) Grand Slam Round Robins to play fun doubles on our hard, clay and grass tennis courts.

Is it a workout you're craving? This season we have drill sessions for both intermediate and advanced players. Low on instruction but high on fitness and fun, these are based on live hitting, not feeding.

If entertainment is your passion, then you'll love our PBI Tennis Show on Saturdays. Hilarious skits, ball and racquet tricks and great tennis tips make up this extravaganza, which has performed in 99 countries worldwide. For tennis players and non-players alike - you'll laugh while you're learning!

And even if you don't play tennis (yet!), please enjoy our lawn games - from basketball to lawn bowling - great fun for the whole family!

## The PBI Tennis Show

We're the ONLY RESORT IN THE WORLD to offer this amazing weekly extravaganza. Our PBI Tennis Professionals perform comical skits choreographed to music that make fun of how players complicate tennis. Ball and racquet tricks dazzle. Great tennis tips educate. It's the most unique and entertaining tennis exhibition you will ever experience! Billed as "The Harlem Globetrotters of Tennis," this show has performed in 99 countries worldwide! Followed by a short carnival and raffle prizes.

**COMPLETELY FREE!** Saturdays from late December through April

## Tennis For Life Clinics

This is the most popular event of our program. Nearly 35,000 students have benefited greatly from our fun, challenging and educational clinics. Our clinics provide an incredible introduction to the simplest and most efficient teaching concepts in the game. We **do not** cancel clinics. Even one participant will receive instruction for a prorated amount of time. **DAILY**

## Intermediate & Advanced Drill Sessions

This just what it sounds like - a really good workout with a lot of balls being hit in a wide variety of drills. If you're hoping for your PBI Professional to stand and feed balls, this is not for you. We emphasize "live" drills that relate directly to real play. **DAILY**

## Player Matching

We go the extra mile to match you up with players of your ability. In fact, we **GUARANTEE** you this service given 24 hours notice. If by some chance we fail, we provide our guests with a **FREE** 1/2-hour on the ball machine or a **FREE** 1/2-hour lesson with one of our PBI Professionals. We take this responsibility very seriously, as it often takes 15 or more phone calls to put a match together. So give us a couple of days if you can. We want your matches to be competitive and enjoyable.

## Grand Slam Round Robin

This fun doubles social gives you a chance to feel what it's like to play at Wimbledon (grass), the French Open (clay) and the U S Open (hard). We will even throw in some free tennis tips! You won't want to miss this great opportunity! **Mid-Nov - April**

## 5 Minute Quick Tip

A PBI professional will come to your court with a head full of helpful hints for your game. Players can choose any aspect of their game that needs help, and the PBI Professional goes to work. Scheduled upon availability, the Quick Tip is helpful to anyone who chooses to participate. **COMPLIMENTARY**

When a PBI Professional is available.

## Lawn Games

For a couple or the whole family, it's hard to beat the fun and the bargain of these great games. We've got basketball, badminton, croquet, putting green, horseshoes, bocce (lawn bowling), soccer balls and frisbees. Come by the tennis pro shop to rent the equipment. **All on a first-come, first-served basis.**

**ONLY \$10.00 per day per family for all games or \$5.00 for one activity.**

## Service Guarantees

- If your PBI Professional is even one minute late for your lesson, that lesson is free.
- If you beat the PBI Professional in a match, that lesson is free.
- If you give us 24 hours' notice and we are unable to create a match for you, we will give you a free 1/2-hour lesson or a free 1/2-hour on the ball machine.
- We never cancel clinics or drill sessions due to low attendance.
