Then imagine how far 50,000 bonus points could take you. You could extend a business trip with a free weekend lounging on the beach. Or have your family meet you in one of the great corners of the world. The choices are many and yours to make ... so get started now!

How It Works:

- Refer up to 5 new members each calendar year.
- Earn 2,000 Marriott Rewards bonus points for each stay your referrals make beginning with their first paid stay, up to 5 stays per referral. That's 50,000 bonus points for you.
- Your friends will also earn 2,000 Marriott Rewards bonus points beginning with their first paid stay, up to 5 stays. That's 10,000 bonus points for them in addition to the base points they'll earn.
- Stays at any participating hotel qualify and must be made within 365 days of enrollment.

Terms and Conditions: Marriott Rewards members can earn up to 50,000 bonus points each calendar year by referring friends & colleagues into the Refer A Friend program. Sponsor a new member through the Refer A Friend program. Each time the new member makes a stay, the sponsoring member receives 2,000 bonus points, up to 5 stays. Members can sponsor up to 5 new members each year (calendar). Your referrals will also earn 2,000 Marriott Rewards bonus points beginning with their first paid stay, up to 5 stays. That's 10,000 bonus points in addition to the base points they'll earn. Stays your referrals make at any participating Marriott® hotel qualify, and must be made within 365 days of enrollment. New members must sign up through the Refer A Friend channels and provide their sponsor's name and Marriott Rewards account number. Channels include MarriottRewards.com/ReferFriends or by calling Customer Support at 800-450-4442 in U.S. and Canada and referencing the Refer A Friend program. Sponsor must be a member in good standing with the Marriott Rewards Program. Sponsorships are limited to 5 new members each calendar year. New members who join through the Refer A Friend program must designate Marriott Rewards points as their earning preference. Miles earning preference is not an option with the Refer A Friend program. Should any of the initial 5 stays be retroactively deducted from the new member's account, the bonus points will also be deleted from the sponsor's account. New members cannot retroactively designate a sponsor. Sponsorship must be determined at the time of new member's enrollment. Marriott Rewards reserves the right to end the Refer A Friend program at any time. A stay is defined as consecutive nights spent in the same hotel, regardless of check-in/check-out activity.
