

CONJURE UP THE PERFECT MEETING.

Enhance your meeting experience at Atlanta Airport Marriott's Innovation Lab: an interactive environment with infinite creative potential. You can have it all in this free flowing space adapted for digital projection and alternative modes of expression. Find a new way to meet and new ways to think, all conveniently located near Hartsfield-Jackson International Airport.

- Experience one unique space with two separate areas: host two meetings at once, or use one room for meetings and one for coffee breaks and meals.
- Gather small groups of up to 50 people.
- Break free from screens with multiple projection surfaces.
- Record your ideas everywhere. Write on tables, walls, notepads, dry erase boards, chalk boards and more!
- Pin maps of the imagination on bulletin boards to connect the dots of a great idea.
- Take a spin in a one-of-a-kind Herman Miller Spun Chair.
- Enjoy unique catering options.
- Get the ideas flowing and build team spirit with interactive games.
