

Residence Inn Green Meetings

Marriott International aspires to be the global leader that demonstrates how responsible hospitality management can be a positive force for the environment and create economic opportunities around the world, in the communities where we work and live!

Our Residence Inn Nashville Vanderbilt/West End Hotel:

- Uses energy-efficient light bulbs, instead of traditional less-efficient bulbs
- Actively implemented a water/energy saving program
- Utilizes linenless tables for hotel meetings and events
- Provides note pads and pens made from recycled materials

Marriott International's Global Environmental Goals:

- Further reduce energy and water consumption 20% by 2020 (Energy 20 percent per KWh/conditioned M²; Water 20 percent per occupied room (POR). Baseline: 2007
- Empower our hotel development partners to build green hotels
- Green our multi-billion dollar supply chain
- Educate and inspire associates and guests to conserve and preserve
- Address environmental challenges through innovative conservation initiatives including rainforest protection and water conservation
