Smart Style and Seamless Efficiency in Downtown Baltimore

The all-new Delta Hotels by Marriott Baltimore Inner Harbor, located in Downtown Baltimore, offers 150 guestrooms featuring a unique, upscale style and purposeful amenities and services designed for the modern traveler. Situated in a historic building built in 1904, the exterior features authentic exposed brick while graphics of iconic Baltimore landmarks adorn the hallways celebrating the spirit and history of Charm City. The interior of our hotel has been completely reborn with a clean aesthetic and a modern take on comfort. References to Baltimore's most celebrated author, Edgar Allan Poe, are gently woven into the interior design, and one of a kind lighting features complement intriguing points of interest throughout the hotel. Intuitively meeting the needs of business travelers, Delta Hotels by Marriott Baltimore Inner Harbor is just minutes from Baltimore's Inner Harbor District, putting the area's largest corporations and most popular attractions within easy reach.
