TOUCHDOWN

PAPER FOOTBALL

1. Once you've folded up your football, pick a side of the field.
2. Decide who goes first. That player takes a turn flicking the football to try to reach the end zone.
3. The other player makes "goal posts" by putting both index fingers up with thumbs out and touching (like an "L" and a backwards "L").
4. Each player gets three tries to get the football through the goal posts.
5. A touchdown is worth 5 points and the first player to reach 20 wins!
