**CHICAGO MARRIOTT DOWNTOWN MAGNIFICENT MILE WINS 2016
PINNACLE AWARD**

The hotel receives award for best décor/design among destinations and services for meeting professionals

(CHICAGO; June 8, 2016) — [The Chicago Marriott Downtown Magnificent Mile](#) (540 N. Michigan Ave.) has been recognized by readers of *Successful Meetings* as a 2016 Pinnacle Award winner in the décor/design category in the Midwest region.

Presented annually by Northstar Meeting Group's *Successful Meetings* brand, the Pinnacle Awards are voted on by decision-makers for planning meetings, events, conferences and incentive programs in the US and worldwide.

For over 30 years, the Pinnacle Awards have earned a reputation as the most credible and valued symbol of excellence among meeting professionals and travel suppliers alike. Adding significance to this year's awards are new categories honoring the best hotel décor/design, on-site support staff, and food & beverage service.

"On behalf of Northstar and the unrivaled audience of meeting planners and suppliers we are proud to represent, I congratulate Chicago Marriott Downtown Magnificent Mile and all of the organizations and venues who have been recognized for their outstanding efforts to elevate business meetings, incentive travel programs, trade shows and conventions during the previous year," says David Blansfield, Executive Vice President and Group Publisher for Northstar Meetings Group. "The winners of the 2016 Pinnacle Awards are truly at the top of their game."

Readers of *Successful Meetings* voted for the winners of the Pinnacle Awards via online ballots and provided feedback based on their professional experiences worldwide for their top hotels, conference centers and CVBs.

All winners will be listed in *Successful Meetings'* annual Pinnacle Registry, published in August 2016 and online.
