

# MEET IBUTLER - YOUR PERSONAL GUIDE

iButler is your personal guide to productive and welcoming meeting experiences at AC Hotel Bella Sky Copenhagen. Being in charge of planning and executing meetings or conferences is not an easy task. But with the iButler app on your smartphone or tablet, your work just became a little easier and your meetings much more productive.

## PLANNING BEFORE YOUR MEETING

When you arrive to AC Hotel Bella Sky Copenhagen, you can use iButler for a quick overview of your rooms, setup and orders. Anything you wish to change? Just let your host know through the app.

## DURING YOUR MEETINGS

Need more coffee?  
Trouble with the presentation?  
Want to postpone lunch due to delays?

Help is just a few clicks away as you communicate with your host without disturbing those around you.

If you are in charge of several meetings at once, you can keep track and coordinate most things through iButler right from your room.

Please make sure that your attendees download the app, so that they receive all general practical information.

iButler is developed in cooperation with Comwell Conference Center Copenhagen. It is free and available for download here.

iOS

Android

## WAYFINDER

Just like a real concierge, iButler will also help you with easy access to all the great facilities and offers in and around AC Hotel Bella Sky Copenhagen.

## WAYFINDER WILL GUIDE YOU TO:

- Meeting rooms
- Restaurants and food outlets
- Nearest restrooms and exits
- Special meeting points
- Parking facilities and much more

## HOW TO GET YOUR OWN IBUTLER

Once you have downloaded the free iButler app (iOS or Android) you need a personal login to access your account. You can request this from your conference host via email or at the reception.

We also offer free use of iPads with iButler installed, packed and ready for your meeting.
