Heaven on Seven Mile

Beach Spa + Private Gazebo Dinner Escape

Your unforgettably romantic evening begins with a blissful 60-minute couples massage on the beach in the Spa cabana, with the setting sun and sounds of the ocean providing soothing harmony. Afterwards, stroll to your oceanfront table for two in our private gazebo on the sand, where a bottle of sparkling wine and a three-course gourmet dinner for two, served by your personal butler, await. But be forewarned... nothing else will ever compare to this idyllic evening of indulgence.
