PHUKET MARRIOTT RESORT & SPA, MERLIN BEACH DEBUTS RENOVATED MERLIN GRAND BALLROOM

PHUKET, THAILAND – 1 JUNE 2018 – Phuket Marriott Resort & Spa, Merlin Beach unveils one of the island’s newest meeting spaces. The MICE resort has embraced Marriott’s innovative “Meetings Imagined” concept and offers meeting planners inspiring and creative ways to organize successful events. The launch of its renovated meeting spaces feature the state-of-the-art Merlin Grand Ballroom (573 sqm) and the versatile Vanda Room (84 sqm).

“The resort is going through a transformation when Marriott International entered into a new management agreement in December 2016. Phuket Marriott Resort & Spa, Merlin Beach is emerging to be one of the most comprehensive destinations for event planners. We offer Marriott International’s innovation in technology, spaces and service while localizing these experiences to reflect Thai culture. We work with organizers to discover the essence of great events and execute them in a way that resonate with their clients,” said Trevor May, General Manager.

At Marriott, meetings are people-inspired and Marriott delivered. The resort’s professional events team work one-on-one with planners to identify their meeting purpose, business background and how to integrate those concepts into a smooth and stunning event. The Merlin Grand Ballroom can accommodate up to 600 delegates. The property is suited for small to large groups and also features the Beach Lawn, a beachside venue overlooking the Andaman Sea.

To take advantage of all the features and benefits, Phuket Marriott Resort & Spa, Merlin Beach is running Marriott International’s “Power of Three” campaign.
