inspiration

There’s more to Virginia other than peanuts. One could say the Chesapeake Bay has a bountiful harvest of various seafood that the area has come to enjoy: Oysters, fish of all kinds and of course Blue Crab just to name a few. We could never forget about the Smokey ham, bacon and dairy products the area has as well. Here at Wellingtons, we strive to showcase what Virginia has to offer in creating flavorful dishes, one plate at a time.
