The most unique meeting and event space at the Kauai Marriott Resort is the Kauai Court. This outdoor, open air facility provides nearly 2,700 square feet of meeting and event space and the ability to seat 160 guests comfortably. The space can be configured for standing or seated events. Connected to the Kauai Court is a breathtaking garden with a variety of Hawaiian plants, vegetation, water features, and sculptures. The Kauai Court is directly adjacent to the Kauai Ballroom, and can be used as a registration or reception area for events occurring in that space, creating the perfect indoor and outdoor event experience.
