ABOUT THE CORNHUSKER ARTIST-IN-RESIDENCE PROGRAM

At The Cornhusker we’ve long prided ourselves on being a world-class destination for travelers and a quintessential Lincoln landmark. Woven throughout the cultural fiber of our hotel is a long-standing passion for the arts.

The Cornhusker’s Artist-in-Residence program features a working art studio and gallery on the lobby level of our grand hotel. The studio is open to hotel guests and the public, and encourages visitors to interact with the artist, while watching the evolution of each piece of work firsthand. The Cornhusker is seeking its next artist for the program which will run April 1, 2017 – March 31, 2018. The program serves as an extension of the hotel with the artist working hand-in-hand with hotel staff to both promote the program and provide a distinctly unique experience for guests and visitors of the property. Artists also participate in First Friday Artwalks during their residency, along with a number of other events that occur throughout the year.

The Cornhusker Artist-in-Residence receives a $1,000 monthly stipend, complimentary meals within the hotel’s cafeteria and up to $3000 for entertaining potential buyers, workshops or hosting events in a house spend account.

This residency is a one-of-a-kind experience to be on the forefront of Lincoln’s art community with one of Nebraska’s most revered hotels. Additionally, each Artist-in-Residence creates a legacy piece that will go on permanent display in the hotel.
