GRANDE LAKES®

WHAT INSPIRES US? KEEPING NATURE BEAUTIFUL.

At Grande Lakes Orlando, we know it's not just about a scenic environment today—it's about maintaining that pristine space for years to come. That's why we are 100% committed to providing inspiring stays, freshly harvested cuisine, and signature golf experiences that are as sustainable as they are enjoyable.

We're proud to be the responsible stewards of over 500 acres of Florida scenery, and we want to share the beauty of Grande Lakes with you. Visit us for a weekend of family fun. Host a naturally elegant event. Get inspired by the world around you.

INVESTING IN A SCENIC FUTURE.

Experience our resort-wide commitment to sustainability.

An Inspiring Setting

- Nestled in 528 acres of natural beauty at the headwaters of the Florida Everglades
- 6 Certified Florida Master Naturalists on-site
- 35 acres of untouched natural environment
- Over 100 acres of maintained lakes
- 33 acres of monitored and protected habitats
- Over 100 species of birds on property
- 3 butterfly gardens, 18 bird nest boxes and 6 bat houses
- Reduced non-renewable energy usage by 22,000 kwh

Ritz-Carlton Golf Club

- Our golf course is a Certified Audubon Cooperative Sanctuary
- Green Certification from Golf Environment Organization (GEO)
- Winner of the International Association of Golf Tour Operators (IAGTO) Sustainability Award
- Borders Shingle Creek which will never be developed
- We've reduced chemicals used on the course by 90%
- Reduced water usage by 12 million gallons
- Reduced gasoline usage by 18%

Whisper Creek Farm

- 7,000 square-feet of fruit and vegetable gardens
- 11,000 square-feet of adjoining outdoor event space
- Events up to 250 people in our beautiful gardens
- Authentic farm-to-fork experiences
- Farm produce is used in hotel restaurant dishes, beverages and spa treatments
- Working with Harvest Power, we recycle food waste—diverting it from landfills, with over 3 tons of organic compost received
