

**IMPORTANT INFORMATION REGARDING PARKING USAGE FROM JUNE 1ST to JULY 15**

Dear Madam, Dear Sir,

We are entering in the European Championship period, and looking at the current situation we have decided to raise our security process and reinforce control of access to our property.

As you know, Safety and Security is one of our top priorities, and we thank you in advance for your kind cooperation.

During this period of time, and because of our proximity to the games, **the access to the parking** of the hotel will be restricted. You will need a specific key to access the lobby area coming for the parking.

Therefore we kindly ask you to proceed to your check in first, prior to entering the parking. Our front desk will provide you with the key to access the parking elevator.

We have requested our Loss prevention team to reinforce control and also for vehicles that want to access the hotel parking. This will be done at the front of the hotel by the dedicated agents.

As regular guest of our property we understand that this can bring some inconvenience to your habits, but this remains an exceptional situation for the safety of all during this period from the 1<sup>st</sup> of June to the 15<sup>th</sup> of July.

I remain of course at your disposal should you need any further assistance,

Your sincerely

Pierre Henri Perrin

General Manager
