An Investment That Works While You Play

Camelback Inn is now offering the rare opportunity to own part of this beautiful resort and gain incomparable vacation privileges. Enjoy 28 owner-use days of vacation each year at the JW Marriott Camelback Inn Resort & Spa or at other Marriott, Ritz-Carlton or Renaissance Hotels and Resorts around the world. And that's just the beginning.

As part of an exclusive group, owners of Camelback Inn condominiums receive a fee title to their unit (which is a resort room) and become limited partners in Camelback Inn Associates Limited Partnership. As an owner, you will share in the annual net income of Camelback Inn's condominiums. Your investment may entitle you to tax benefits as well.

Call the condominium office at 480-948-7939 for more information about this special investment opportunity.
