

# W SEATTLE

An urban retreat in the heart of downtown, W Seattle combines the energy of the city with the serenity of the Pacific Northwest. Recently refreshed and boasting updated accommodations, join us and be naturally connected.

Located in the heart of downtown, W Seattle is close to art museums, music venues, financial hubs, stellar shopping, as well as the famed Pike Place Market and the Washington State Convention Center.

## GUEST ROOMS

Smart style meets cool comfort in each of our 415 guest rooms and 9 suites. Sink into our signature pillow top bed and goose-down covers, or relax on the plush window banquette perfectly framed to reflect views in all directions. Dark woods and earth tones recall the Pacific Northwest's outdoor expanses, while industrial finishings lend a nod to the rich industrial background of the region.

## WOW TO EXTREME

Located on the top floors of the hotel, the WOW Suites are the ultimate luxury experience for the discerning traveler. You'll be awed by the designer living space, including an oversized bathroom with a view of Seattle from your jacuzzi tub. Mix martinis on your turn table themed bar and buckle up for a night of excitement.
